Defendants.

On March 11, 2008, The Hon. Barbara B. Crabb entered the following order:

During the period of Judge Shabaz's convalescence and rehabilitation following his shoulder injury, 50% of all civil cases filed in this district, with the exception of social security appeals, bankruptcy appeals, federal collection and foreclosure actions and motions brought pursuant to 28 U.S.C. § 2255 will be assigned at random to United States Magistrate Judge Stephen L. Crocker for all purposes, including trials and the entry of judgment, unless counsel advise the court in writing that they do not consent to his exercising such jurisdiction. If consent is withheld, the magistrate judge will continue to handle pretrial matters in all civil cases. As 28 U.S.C. § 636 provides, the parties are free to withhold their consent without any adverse substantive consequences. Neither the judge nor magistrate judge will know whether all parties or only one withheld consent.

Upon Judge Shabaz's return, he will assume responsibility for all cases assigned to the magistrate judge except those that the magistrate judge is handling by consent.

This order applies equally in prisoner cases. Because this case has been assigned to me, I will exercise jurisdiction over all aspects of the case, including issuance of a screening order as required under 28 U.S.C. §§ 1915(e)(2) and 1915A, unless one or both parties withholds consent. Consent may be withheld by submitting the attached declination form to the clerk of court within twenty-one (21) days of the date of this order.

Entered this 21st day of April, 2008.
